COMPLETE DISPERSAL OF OUR . . .

"Reputation Shorthorn Herd"

Friday, December 6th -- Wakeeney, Kansas

Wakeeney, Livestock Commission Company Sale Pavilion

Located at the west edge of town on the north side of the railroad track.

12:30 p.m., C.S.T.

-- SELLING 107 HEAD --

as 77 Lots

16 bulls

30 cows with calves at foot

29 bred cows and heifers

2 open heifers

Because Henry Dietz is retiring from the Shorthorn business, every registered Shorthorn he owns sells in this sale, including the great young four-year-old Imported bull, GLASTULLICH CLARENCE, with 20 of his yearling sons and daughters and many more younger calves, along with his valuable service. Wherever good Shorthorns have been sold in recent years, Henry Dietz has more often than not been listed as one of the top buyers. Although his cattle have never been shown, they have found wide demand among the top cattlemen. He bred and sold the champion Pen of Three Bulls at the last Range Bull Performance Show and Sale, as well as a number of Mid-Kansas champions, as late as in the 1962 Spring Sale.

You will find top breeding daughters of such bulls as EDELLYN BROADARROW, SALTOUN CHALLENGER, KICKAPOO FLIGHT CHIEF, RINGWELL LODESTAR, LEVELDALE CRITIC, LOUADA BANKER, LEVELDALE BASIS, WESTDRUMS CAPTAIN, SALTOUN TREASURER and others.

If you have been thinking about your herd's future, then here is one of the real opportunities of a lifetime, to add well-bred, good-doing, healthy, young Shorthorns to your breeding program.

These cattle are not highly fitted, but just right to go on and do well in their new owners hands.

For the catalog and other information, write: --

Attend the I. J. & Howard Spitzer Sale at Dighton, Kansas on December 5th. Two big days with nearly 200 head of registered Shorthorns being sold.

DIETZ'S COMPLETE DISPERSAL SHORTHORN SALE

GENERAL INFORMATION

LOCATION - Wakeeney Livestock Commission Company Sale Pavilion, located at the west edge of town on the north side of the railroad track.

TERMS - The terms of the sale are cash unless other arrangements are made in advance with the consignor from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyer's risk as soon as bid off but the management will attend to loading on cars or trucks in compliance with instructions from purchasers.

GUARANTEE - Since this is a complete dispersion sale, all cattle will be sold without further guarantee. We would like to point out, however, that any questionable producers were always removed in our systematic culling practice each year. We will give you all the information we have on each lot with reference to breeding dates, etc., and announcements from the auction block will have precedence over printed information.

A certificate of registry and a signed transfer will be furnished for each lot sold and an application for registry will be furnished for each calf sold at foot and for each unborn calf sold in dam.

Where footnotes appear in this catalog, they were furnished by the consignors or written from information supplied by the consignors.

LIABILITY - Each transaction in this sale will constitute a contract between the buyer and seller of each lot. The auctioneers, clerk and sale manager have been employed by the seller for specific tasks not connected with the handling of the cattle or the condition of the premises and they accept no liability, legal or otherwise for the buying contract or for any accident. Every effort will be provided for the safety for those attending this sale but the seller cannot accept liability for injuries that may occur. All persons attend this sale at their own risk.

HEALTH - All cattle will be T.B. and Bangs tested, and official calfhood vaccination for Bangs disease has always been practiced. All cattle are guaranteed to comply with the health regulations of any state or country into which they may go. All cattle have also been vaccinated for Leptospirosis.

MAIL ORDERS - Those unable to be present and who desire to do so, may send buying orders to any of the following reliable men, all who will be in attendance:

Mervin F. Aegerter, Sale Manager, Seward, Nebraska
Ted Aegerter, Field Representative for the American Shorthorn Ass'n,
Seward, Nebraska
Veryl Jones, Kansas City Daily Drovers Telegram, Clinton, Mo.
Bill Stunkel, The Shorthorn World, Aurora, Illinois
Mike Wilson, Kansas Farmer, Muscotah, Kansas
Jim Orton, Kansas Stockman, Topeka, Kansas

FRIDAY, DECEMBER 6, 1963 - WAKEENEY, KANSAS

HOTELS AND RESERVATIONS

The Silver Lodge Motel in Wakeeney will be Sale Headquarters. Other fine accommodations at the following motels, can be had: The Sundowner Motel and the Bryant Motel.

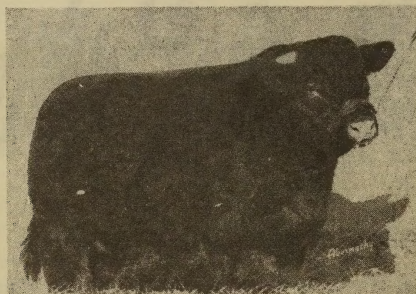

TRANSPORTATION — Wakeeney, Kansas is located on the main line of the Union Pacific Railroad between Kansas City, Missouri and Denver, Colorado, approximately 300 miles west of Kansas City and 300 miles east of Denver. Those wishing transportation from Chicago, Omaha or Denver can also use the Rock Island railroad lines which afford regular streamlined service and stops at Norton, Kansas, located just north of Wakeeney.

Central Airline planes flying into Hays, Kansas will be met by appointment.

Prior to sale day, the cattle can be inspected at the Dietz Farm, located 13 miles South on Hiway 283 and 1½ miles West on County Road 462. Coming from the south, go 2½ miles North of the Smoky Hill River on 283 and then turn West ¼ miles on County Road 462.

BROADARROW 13th - We are selling the last two sons of Edellyn Broadarrow in this sale. This could very well be one of his best sons. A full brother to this bull was champion and top selling bull at the Mid-Kansas Shorthorn Sale at Salina, going to Mr. Bill Roda at \$1,250. The dam of this bull has been a very consistent producer for us. This bull is good enough and bred well enough to be a great breeding bull. Note his masculine character, natural thickness, smooth flesh covering and sound straight legs.

S F COLLECTOR - We bought this calf from Schreiber Farms in the 1962 fall sale at Salina. As a calf he stood third at the Missouri State Fair. This bull is very well balanced and has tremendous size for his age. He comes from the sale family as S F Climax, champion bull at the Missouri State Fair and Barclay Leslie shown by Schreiber Farms. This bull should suit the most critical buyer.

DIETZ'S COMPLETE DISPERSAL SHORTHORN SALE

FRIDAY, DECEMBER 6, 1963 - WAKEENEY, KANSAS

The Pathway Up --

The attachment of Henry Dietz to Shorthorns, goes deep into the past history of the breed. Western Kansas soil has made a living for Henry Dietz since 1907. He bought his first commercial Shorthorns in 1915, his first registered Shorthorns in 1928 and the family has always relied on Shorthorns for meat and for an income to supplement the cash receipts from the main crop, wheat.

Sons, Milton and Dwayne have been associated with their father in recent years; Milton carries his own complete herd and Dwayne, a junior in Kansas State College, is selling all of his females with the exception of a few young open heifers which he is retaining for a future herd foundation. Last October, Dwayne was named American Farmer as outstanding F. F. A. member in Kansas.

Our champion pen of three bulls at the 1951 National Range Bull Performance Show and Sale at Broken Bow, Nebraska, included two junior yearlings and a summer yearling sired by Aberfeldy Insignia and Hillcroft Victory. This pen brought \$2,560, selling to Abner McKenzie, Red Bluff, California.

HENRY DIETZ - named "Builder of the Breed" by The Shorthorn World, in 1963.

Dietz Shorthorns raised in the open, under natural environment, are healthy, good-doing cattle -- factors that are mighty important in this business of producing beef.

SPRINGDALE VICTORIA 31st - Sells open. A sweet little heifer that would make a grand 4-H or FFA project.

TIME TO THINK OF YOUR HERD'S FUTURE

Back in 1937, Henry Dietz seriously thought of the future of his Shorthorn herd. He determined at that time, to set out on a program that was to build and create the best herd of breeding cattle he possibly could. His was a challenging program - out in a country where drought and Mother Nature can make progress often times, seem slow.

Joined in recent years by sons Milton and Dwayne, he steadily built towards one of the top herds in the entire Middlewest. A long list of top herd bulls have contributed greatly to make the present Dietz herd a reputation herd. There was the 1958 Congress Sale champion, Hillcroft, Victory; followed by the \$3,600 Saltoun Challenger in the 1952 Mathers sale. There was Kickapoo Flight Chief, bought at Chicago in 1955; Edellyn Broadarrow at the top price in the 1957 Edellyn Farms Sale. In quick succession in 1961, 1962 and 1963, Dietz and Sons bought three top bulls back at Northwood Farms. Henry Dietz bought Glastullich Clarence that sells as Lot 1. Milton Dietz bought Northwood Pioneer Blanco and Northwood Pioneer Calculator whose get and services are also being sold in this sale.

Certainly many fine opportunities will be found in this sale and the purchase of outstanding cattle at prices that are certain to be favorable to the purchaser.

Henry Dietz will tell you that his investment in good Shorthorns always paid off. Here is your opportunity to help yourself to products of a good, sound breeding program that has been going on for many, many years.

MERV AEGERTER, Sale Manager

DIETZ SHORTHORNS

We invite you to improve your herd with the selections of sons or daughters of famous herd sires, well-bred, good-doing Shorthorns you will like and want to own. If possible, visit the Dietz farm prior to the sale and inspect the entire offering at your leisure and pleasure.

YOUR HERD'S FUTURE!
